Hang Em High
Dropkick Murphys

Intro: **G** (4x) Chorus
Chorus:**F Bb F C F Bb C E F G**

```
G                                          F Bb C
We waited together for the cowards to come
G                                          F Bb C
Outgunned and outnumbered but we wouldn’t run
G                                        F Bb C
No mercy, no quarter, They’ll pay for their sins
D
Now lower the cannons the battle begins
     F                           Bb
We waited together for the cowards to come
     F                         C
Outgunned and outnumbered but we wouldn’t run
     F
No mercy, no quarter
         Bb
They’ll pay for their sins
      C         E          F      G
Now lower the cannons the battle begins

G                                            F Bb C
We weighed anchor in anger, set sail for revenge
G                                        F Bb C
Hoisted the canvas turned her into the wind
G                                            F Bb C
We’ll hang ‘em high for justice and the whole world will see
D
Now off with their heads boys and bring ‘em to me

 F                               Bb
We waited together for the cowards to come
     F                         C
Outgunned and outnumbered but we wouldn’t run
     F
No mercy, no quarter
         Bb
They’ll pay for their sins
      C         E          F      G
Now lower the cannons the battle begins
```

Interlude: **D F Bb F C** (2x)

```
         D                          F
We’ll rattle the sabers for the tyrants’ demise
```

```
        Bb                          F           C
Feed half to sharks and the rest to the flies
      D                         F
An honorable death for you would be too nice
            Bb                    F         C
Iâ€™d like to savor the moment and kill you twice

  F                         Bb
We waited together for the cowards to come
      F                         C
Outgunned and outnumbered but we wouldnâ€™t run
      F
No mercy, no quarter
          Bb
Theyâ€™ll pay for their sins
      C         E           F       G
Now lower the cannons the battle begins

  F                         Bb
We waited together for the cowards to come
      F                         C
Outgunned and outnumbered but we wouldnâ€™t run
      F
No mercy, no quarter
          Bb
Theyâ€™ll pay for their sins
      C         E           F       G
Now lower the cannons the battle begins
```
