Hang Em High
Dropkick Murphys

Intro: **G#** (4x) Chorus
Chorus:**F# B F# C# F# B C# F F# G#**

G#   **F# B C#**
We waited together for the cowards to come
G#   **F# B C#**
Outgunned and outnumbered but we wouldnâ€™t run
G#   **F# B C#**
No mercy, no quarter, Theyâ€™ll pay for their sins
Eb
Now lower the cannons the battle begins
      F#   **B**
We waited together for the cowards to come
      F#   **C#**
Outgunned and outnumbered but we wouldnâ€™t run
      F#
No mercy, no quarter
          B
Theyâ€™ll pay for their sins
      C#   **F**   **F#**   **G#**
Now lower the cannons the battle begins

G#   **F# B C#**
We weighed anchor in anger, set sail for revenge
G#   **F# B C#**
Hoisted the canvas turned her into the wind
G#   **F# B C#**
Weâ€™ll hang â€˜em high for justice and the whole world will see
Eb
Now off with their heads boys and bring â€˜em to me

  F#   **B**
We waited together for the cowards to come
      F#   **C#**
Outgunned and outnumbered but we wouldnâ€™t run
      F#
No mercy, no quarter
          B
Theyâ€™ll pay for their sins
      C#   **F**   **F#**   **G#**
Now lower the cannons the battle begins

Interlude: **Eb F# B F# C#** (2x)

          Eb   **F#**
Weâ€™ll rattle the sabers for the tyrantsâ€™ demise

```
      B                          F#           C#
Feed half to sharks and the rest to the flies
     Eb                           F#
An honorable death for you would be too nice
             B                     F#          C#
I’d like to savor the moment and kill you twice

  F#                          B
We waited together for the cowards to come
    F#                          C#
Outgunned and outnumbered but we wouldn’t run
     F#
No mercy, no quarter
         B
They’ll pay for their sins
    C#          F            F#         G#
Now lower the cannons the battle begins

  F#                          B
We waited together for the cowards to come
    F#                          C#
Outgunned and outnumbered but we wouldn’t run
     F#
No mercy, no quarter
         B
They’ll pay for their sins
    C#          F            F#         G#
Now lower the cannons the battle begins
```
