Surrender - The Dropkick Murphys

I did the chords for this song a while back and I ve yet to figure out the intro and fill, so i ll give you guys this.

i tried my best with positioning the chord names over where they are to be played, but i m sure everyone will get the point.

the way i pick the lead guitar is: (for Bb to F to Ab)

```

|-----x---x--x--x-----x-
|-x---x--x--x-----x---x--x--x-----x-
|-x---x--x--x-----x---x--x--x-----x-
|-x-----x--x-----x-----x--x-
|-x-----x--x-----x-----x-----
|-----x-----x-----

```

basically pick the-
-higher half of the chord,
then the lower half once,
then the entire next chord.
