

**The Dirty Glass**  
**Dropkick Murphys**

[Intro]

D G D G D A D

[Verse 1]

D G D G D A D  
Murphy, Murphy darling dear I long for you now night and day.  
D G D  
Your pain was my pleasure your sorrow my joy  
G D A D  
I fear now I've lost you to health and good cheer.  
D G D A D G D A D

[Verse 2]

D G D  
Darcy when I met you i was 5 years too young  
G D A  
a boy beyond his age or so I'd tell someone.  
D G D  
Anyone who'd listen and a few who couldn't care  
G D A D  
still I welcomed you with open arms my love I did share.

[Chorus]

D G D A  
Darcy, Darcy, darling dear, you left me dying crying here  
D G D A D  
In whisky, gin, and pints of beer i fell for you my darling dear.

[Verse 3]

D G D  
You shut me off then you showed me the door.  
G D A D  
But you always came crawlin back beggin me for more.  
D G D  
I showed you kindness a stool and a tab.  
G D A D  
Then you poured me my pain in a dirty glass.  
D A G A D  
Yeah you left him bloody battered penniless and poor.  
D A D  
You know I often stopped to wonder how he made through my door.  
G D  
With my brothers new non-duplicate registry I.D.  
G D A D  
Well you bit off more than you could chew the first day you met me.

[Chorus]

D G D A  
Darcy, Darcy, darling dear, you left me dying crying here  
D G D A D  
In whisky, jin, and pints of beer i fell for you my darling dear.

[Verse 4]

D G D  
You weren t the first to court me mister you won t be the last.  
G D A G  
Oh I m sure I wasn t honey I know all about your past.  
D G D G  
Well listen to the big shot with his pager on call you spent most of those  
D A D  
nights in my bathroom stall.

G D A D  
Yeah, you got him high but you left him low.  
D G D G D  
Mind your own business boy how was I to know that he was just a fiend and a  
A D  
no good cheat.  
G D A D  
Well thats all in the past bitch cause now I got it beat.

[Chorus] x2

D G D A  
Darcy, Darcy, darling dear, you left me dying crying here  
D G D A D  
In whisky, jin, and pints of beer i fell for you my darling dear.
