

Tire Swing Romance
Dropout Year

Tabbed By: Diggs

Hey i dont think that the beginning picking is right but its close enough. But i think rest is right.

It is really easy to play once you know how to.
Good Luck

Intro:

E A E A E

E **E**
Do you remember when our lips were best friends?

A
Do you remember when a kiss meant something?

A **E**
I remember tire swings, a summer fling that meant everything to me.

E **A**
Come on baby, can you blame me?

For waiting patiently,
A
Its sympathy that will bring you back to me.

E
Under the covers we are

Stubborn lovers we are
A

The ones that wonder

Could we ever love another? (x2)

E E **E E**
As I wake up in your bed,

A A
You put on make up and you said.

A A

You made it so close to the door,

E E

I keep you coming back for more.

E E

A A

Come on baby, can you blame me?

Because if looks could kill -

A

Id die happy knowing it was you

(chorus)

E

Fell asleep with the girl next door.

E

We woke up and we wanted more.

A

Fell in love but we werent so sure,

A

So quote the both of us no more. (x2)

(chorus)

(bridge)
