

Beauty
Dru Hill

Lady Longting

CAPO 3

[VERSE]

Am **Dm**
Sorry, didn't notice you there
E **Am**
But then again you didn't notice me
Am **Dm**
So we'll remain passers by
E **A**
Until the next time we speak
Am **Dm**
I hope that I can make you mine
E **A**
For another man steals your heart
Am **Dm**
And once your beauty is mine
E **A**
I swear we will never be apart

[CHORUS]

Am **Dm**
Walks by me every day
E **Am**
Her and love are the same
Am **Dm**
The woman that's stolen my heart
E **A**
And beauty is her name
Am **Dm**
I'm hoping I can make you mine
E **A**
For another man steals your heart
Am **Dm**
And once your beauty is mine
E **Am**
I swear we will never be apart

[VERSE]

It didn't take much time to think about
But I didn't want to move too fast
Cuz I knew that when I saw you again
That I wouldn't wanna let you pass
Cuz my eyes have seen the glory
In the coming of your smile

So I swear if you ever come round again
Please stay for a while

[CHORUS]

[BRIDGE]

A **Dm**
You are so beautiful

E
When I m down and out

E7
I never seem to get tired

Am
Tired of your love

A **Dm**
Cuz you are wonderful

You re wonderful

E **E7**
I m just dying to make you see

Am **Dm**
Anything you want inside your heart

E **E7** **E** **Esus4**
You can find right here inside of me

[CHORUS UNTIL FINISH]
