Funny how the stars look far away
And it makes me sad to be surrounded
There s not much else that I can do to change
But in my dreams I see you dying(/crying)

Bridge:

If the world keeps going round with the sun and the moon and
You and I are somehow in between

Chorus:

We are hopelessly waiting for the sky to fall down
I put my hands up don t look around

Couplet:

Sometimes we can forget just where we are
Sometimes it s hard to look around you
We seem to move but never very far
And I don t know why I care about you

But the world keeps going round with the sund and the moon and
you and I are somehow in between

Chorus:

We are hopelessly waiting for the sky to fall down
I put my hands up don t look around
