When you listen very carefully you can hear a lead guitar playing on the background.... he plays something like this:

```

-----          -----          -----  E
-----          -----          -----  B
--4--4--4--4-s-2-----2--2----4-s-6--4--  G
-----          -----          -----  D

-----          -----          -----  E
    
```

(A) (E) (Bm)

Just use the higher A, Bm and F#m and slide all the way back to the basic E.
