

Genesis

Dua Lipa

[Intro]

G C Em C D

[Verse 1]

G

In the beginning

C Em

God created Heaven and Earth

C D

For what it s worth, I think that he might ve created you first

G

Just my opinion

Am Em

Your body is the one paradise that I wanna fly to

C D

Every day and every night

[Pre-Chorus]

G

I ve been sick and tired of running

C

Chasing all of the flashing lights

Em

These late nights don t mean nothing

C D

So I just wanna apologize

G C Em

I m sorry, so sorry

C D

I m sorry, yeah

[Chorus]

G

I need your love

C Em

And I m dying for the rush

C D

Cause my heart ain t got enough

G

I need your touch

C Em

This is getting serious

C D

Tell me that it s not the end of us

G C

How can we go back to the beginning?

Em C D

How can we go back to the beginning?

G

C

Without you, I've got no air to breathe in

Em

C D

How can we go back to the beginning?

[Verse 2]

G

Don't matter what's written

C

Em

We can start all over again, all over again

C

D

Oh, how can I get you all over my skin?

G

Am

Em

My deep intuition tells me that I'm doing you wrong

If I don't come home

C

D

Just say you forgive me and don't let me go

[Pre-Chorus]

G

I've been sick and tired of running

C

Chasing all of the flashing lights

Em

These late nights don't mean nothing

C

D

So I just wanna apologize

G

C

Em

I'm sorry, so sorry

C D

I'm sorry, yeah

[Chorus]

G

I need your love

C

Em

And I'm dying for the rush

C

D

Cause my heart ain't got enough

G

I need your touch

C

Em

This is getting serious

C

D

Tell me that it's not the end of us

G

C

How can we go back to the beginning?

Em

C D

How can we go back to the beginning?

G

C

Without you, I've got no air to breathe in

Em **C** **D**
How can we go back to the beginning?

[Bridge]

C **D** **Em**
You know, I roar like a lion
C **Am** **C** **D**
For you, you know I ll keep trying til the sun stops rising

[Chorus]

G
I need your love
C **Em**
And I m dying for the rush
C **D**
Cause my heart ain t got enough

G
I need your touch
C **Em**
This is getting serious

C **D**
Tell me that it s not the end of us
G **C**
How can we go back to the beginning?

Em **C** **D**
How can we go back to the beginning?

G **C**
Without you, I ve got no air to breathe in

Em **C** **D**
How can we go back to the beginning?

(G)
