[Intro] D#m B F# C#
D#m B F# C#

D#m B
Here, where the sky s falling
F# C# C#sus2
I m covered in blue
D#m B6
I m running and I m crawling
F# C# C#sus2
Fighting for you
D#m B F# C# C#sus2
When the rain stops, then, darling, what will I do?
D#m B G#m B
And I know I go all in, but why do I?

F# A#m7
You give me a reason, something to believe in
D#m B6
I know, I know, I know
F# A#m7
You give me a meaning, something I can breathe in
D#m B6
I know, I know, I know
F#
It s a bittersweet feeling
A#m7
Longing, and I m leaving
D#m B6
I go, I go, I go
B6 F#
But I wish I was there with you
B6 F#
Oh, I wish I was there with you

D#m B
There s a crack in my window
F# C# C#sus2
A bird in my room
D#m B F# C# C#sus2
Angels all over that watch over you
D#m B
When I m walking on water
F# C# C#sus2
All my dreams have come true
D#m B
Still, nothing means nothing
