F#

Somewhere in the middle, I

D#m

Think I lied a little, I

F#

I said if we took it?there,?I wasn t gonna?change

D#m

But that went out the window,?yeah (Gonna break, gonna break)

F#

I know that I seem a little stressed out

But you re here now, and you re turning me on

D#m

I wanna feel a different kinda tension

F#

Yeah, you guessed it, the kind that s fun

F#

Hate it when you leave me unattended

Cause I miss ya, and I need your love

D#m

When my mind is runnin wild

Could you help me slow it down?

F#

Put my mind at ease

D#m

Pretty please

F#

I need your hands on me

D#m

Sweet relief

Pretty please

F#

Exactly where I want me, yeah

D#m

Underneath your body, yeah

F#

If we take it further, I swear I ain t gonna break

D#m

So, baby, come try me

Baby, come find me

Baby, don't wind me up

F#

I know that I seem a little stressed out

But you're here now, and you're turning me on

D#m

I wanna feel a different kinda tension

F#

Yeah, you guessed it, the kind that's fun

F#

Hate it when you leave me unattended

Cause I miss ya, and I need your love

D#m

When my mind is runnin' wild

Could you help me slow it down?

F#

Put my mind at ease

D#m

Pretty please

F#

I need your hands on me

D#m

Sweet relief

Pretty

F#

Put my mind at ease

Trickle down my spine

D#m

Oh, you look so pretty, please

F#

Every single night, I need your hands on me

When your kisses climb

D#m

Oh, you give me sweet relief

Made me feel so pretty

Would you help me out, please?
