Intro

LAb SIb D0m SOLm

LAb SIb
I, I can t lie, I m scared to open my eyes, cause
D0m SOLm

What if I find nothing at all, nothing at all?

LAb SIb
What is the point of my lips if they don t make noise, oh
D0m SOLm

What is the point of doing nothing at all, watching it fall?

LAb SIb
The flicker burning, you know the time is running, running out
D0m SOLm

Only I see all the diamonds, diamonds, breaking down
LAb

I won t stay quiet, I won t stay quiet,
SIb
cause staying silent s the same as dying
D0m SOLm

I won t stay quiet, the flicker s burning low.

LAb SIb
This is not a, this is not a swan, swan song
D0m SOLm

This is not a, this is not a swan, swan song
LAb SIb

We just gotta, we just gotta hold on tonight
D0m

This is not a, this is not a swan song, swan song,
SOLm
swan dive (yeah), it s a new life.

LAb SIb
Real fantasy, wishing it was make believe, ahh
