

**Song For Beverly**

**Duff McKagan**

Duff McKagan - Song For Beverly

Played using standard chord shapes, tuned half a step down.(Eb).

I am using -- to signify a quick strum of the higher open strings (Db,Gb,Bb,Eb)

during the chord change.

The solo although a cello in the song has here been transcribed for guitar. Please listen to the song for the correct rhythm.

Hope you enjoy playing this. It was a beautiful song he wrote for his dying Grandmother. I don t know why he s not more famous. Only about four songs of his even have tabs. Well here s my contribution anyway.
