Breath away

Now we ve grown and I  $\ensuremath{\text{m}}$  still here on  $\ensuremath{\text{my}}$  own

```
Coz still it s me who cries
Now I m old
                   Abm
Still I wish I had you to hold
Dont suppose you would come my way
Coz still it s me who cries
Fm
I have such regrets
It s you I can t forget
Chorus:
                       C#m
Every time I see you go by
I break down and cry
You re taking my breath away
And every time I see you with her
Oh baby it hurts
You re taking my breath away

                           C#m
Oh every time I see you go by
I break down and cry
You re taking my breath away
                              C#m
And every time I see you with her
Oh baby it hurts
You re taking my breath away
