&#8232;You re just another soul that I m making disappear

I m sick of drying everybody else s tears, with nobody to dry mine

&#8232;I m asking you, don t, don t forsake me.  
&#8232;Why must you break me again and again?&#8232;  
I can t make it alone

I m sick of drying everybody else s tears, with nobody to dry mine.
