

**Keeping My Baby**  
**Duffy**

Another two chord song from Duffy

Capo on first fret!

Intro: **Em, Am**

**Em**

I never thought it would happen to me

**Am**

I was the one that they said would break free

**Am**

Broken promises settled the night

**Am**

He told me he was my mr right

**Em**

And I believed in all that was there

**Am**

And now it seems I m living with regret

Now I m counting down the days so afraid

Can t rewind or freeze the frame

**Em**

Its too late

**Em**

Its too late

Chorus:

**Am**

Can t you see the need in me

**Em**

I m keeping my baby

**Am**

Can t you see the need in me

**Em**

I m keeping my baby

I ve lived a lie and now I face the truth

20 weeks and what am I to do

Now it seems I m going alone

A stereotype with a government home

How I reside to try and survive

No hope for me but this child deserves a life

Now I m counting down the days so afraid

Can t rewind or freeze the frame

Its too late

Its too late

Chorus

Can t you see the need in me  
I m keeping my baby  
Can t you see the need in me  
I m keeping my baby
