Oh Boy, If you ever have to let me down

B E B E G#m F# E
In this world, my life surely would be up side down

If you ever find that your peace of mind, is shattered in so many ways

E F# B C#m E F#
And I find my feet down a lonely street, I be stood there waiting for you
F#
Boy you got me

B E B E G#m F# B
Oh yeah, let me look into your deep brown eyes

B E B E G#m F# E
Let me share, every moment every sweet surprise

See that I have grown, and be mercy shown, there's a window to my heart.
And I find my feet down a lonely street, I be stood there waiting for you

F# E F#m B
Boy you got me high
boy you got me high
boy you got me high

But If I find my feet down a lonely street, I be stood there waiting for you
Boy you got me
