### Duke Special

Duke Special - Freewheel

Thereâ€™s 2 versions of this song as far as Iâ€™m aware, I think one is a radio version and the other an album version but Iâ€™m not sure. What I call the â€œalbumâ€ version is 3:55 long and the â€œradioâ€ version is 4:41 long if that helps!

The â€œalbumâ€ version has the capo on the 3rd fret, the â€œradioâ€ version has the capo on the 2nd fret and doesnâ€™t contain the Middle.

Anyway you should be able to figure it out. Great song. Iâ€™m fairly confident this is very right!
