Duke Special - Freewheel

Thereâ€™s 2 versions of this song as far as Iâ€™m aware, I think one is a
radio version and the other an album version but Iâ€™m not sure. What I
call the â€˜albumâ€™ version is 3:55 long and the â€˜radioâ€™ version is 4:41
long if that helps!

The â€˜albumâ€™ version has the capo on the 3rd fret, the â€˜radioâ€™ version
has the capo on the 2nd fret and doesnâ€™t contain the Middle.

Anyway you should be able to figure it out. Great song. Iâ€™m fairly
confident this is very right!

Intro:
```
E/F#     A    B        C#m    B    A
E/F#     A    B        C#m    B    A

I just concertina and wrap around the world

Staying out  til 6 o clock and singing like a fool

Save my feet from dancing with just anyone at all
A                E/F#              F#m            E/F#
Worn out shoes cause lotus blue keeps hanging in the hall
            A         E/F#      F#m        E/F#
You re this face in the distance I hope to recognize but
            A                  E/F#            F#m            E/F#
