A memento to the glorious things he s done

Verse

He had a car and a home on the Northside

Respectable neighbourhood

And all his struggling to obtain riches

Laying dead it doesn t do him much good

What does it profit a man to gain the whole world

And yet to lose his soul

What does it profit a man to love little

And not be loved at all

Chorus

Middle

G G/B

In my life I pray

Cadd9 Em7 Dsus4

I don't just follow blindly x2

Cadd9 Em7

All the plans preset for me

Cadd9 Dsus4

And without question become my enemy

Verse

The factory people carry on without him

Another face occupies his place

He had friends but he never really knew them

Such a shame that he went so young

Above the terraces and multi-storey car parks

He will be sitting trial

Too late to gasp out for God at his last breath

Hoping that he's got a loophole or two left

Chorus
