Verse w/intro

There are so many virgin births in this town  
 The ghost gets around  
 In the housing estates with the blocked up shop fronts  
 Leaving the women spellbound  
 In the cigarette smoke at the hairdressing salon  
 Girls are all accessorising  
 It sure ain t not the holy ghost  
 It s the devil out exercising

Chorus

	<b>C</b>	<b>D</b>	<b>Em</b>
From the highway, to the hairdressing salon			
	<b>C</b>	<b>D</b>	<b>Em</b>
From the tattoo parlour, to the supermarket			
	<b>C</b>	<b>D</b>	<b>Em</b>
On the discotheque groove, everybody s doing it			
	<b>C</b>	<b>D</b>	<b>Em</b>
So why can t I?			

Verse

Rockstars and groupies better beware  
 The ghost gets around  
 Little boys, little girls you better be careful  
 What you put in your mouth  
 Mothers and daughters, keep your legs crossed  
 Quit wearing those tiny skirts  
 Cause when the ghost comes knocking, knocking on your door  
 My Lord, my Lord it hurts

Chorus x2

Verse

Swore I saw a spirit at 5am  
Must have been doing his rounds  
Girls are waiting for the ghost to show  
In their pretty pretty nightgowns  
Constable lock all these naughty girls up  
Stop it spreading around  
Who is it knocking all these holy girls up  
Cause this sure ain t holy ground

Chorus x2
