Verse

I m lost, just like everyone else
But I ve got great hair
I m happy, even if it dont show in my face
I smell fresh all day

Chorus

Who knows the way?
Who knows the pain?
Who knows the way?

Who knows the pain?

Middle

E

Electric lights are dark and dead
Walking between all the gasoline rainbows
Gameshow laughter on a distant receiver
Tears from the exiled golden retriever
My hands are cold, my feet are freezing
My teeth are clean, and the couple are leaving
I m just another extra in the TV movie of their lives

Chorus

Who knows the way?
Who knows the pain?
Who knows the way?
Who knows the pain? (Ooo-ooo)
Who knows the way? (Ooo-ooo)
Who knows the pain? (Ooo-ooo)
Who knows the way? (Ooo-ooo)
Who knows the pain?

Outro w/intro

All of this pain inside of my heart
Send me a smile and let the love vibes start
All of this pain inside of my heart
Send me a smile, let the love vibes start
