I m lost, just like everyone else  
But I ve got great hair  
I m happy, even if it dont show in my face  
I smell fresh all day

Chorus

Who knows the way?  
Who knows the pain?  
Who knows the way?

Who knows the pain?

Middle

**E**  
Electric lights are dark and dead  
Walking between all the gasoline rainbows  
Gameshow laughter on a distant receiver  
Tears from the exiled golden retriever  
My hands are cold, my feet are freezing  
My teeth are clean, and the couple are leaving  
I m just another extra in the TV movie of their lives

Chorus

Who knows the way?  
Who knows the pain?  
Who knows the way?  
Who knows the pain? (Ooo-ooo)  
Who knows the way? (Ooo-ooo)  
Who knows the pain? (Ooo-ooo)  
Who knows the way? (Ooo-ooo)  
Who knows the pain?

Outro w/intro

Send me a smile and let the love vibes start
