Duncan Sheik - Half Life
Chords By Harold Chiang

F
I m awake in the afternoon
Gm
I fell asleep in the living room
Bb
and it s one of those moments
F **Bb**
when everything is so clear

F
before the truth goes back into hiding
Gm
I want to decide cause it s worth deciding
Bb **F** **Bb**
to work on finding something more than this fear

Bb **F** **Bb**
It takes so much out of me to pretend
Bb **F** **Bb**
tell me now, tell me how to make amends

F **C**
maybe, I need to see the daylight
A **Dm**
to leave behind this half-life
Bb
don t you see I m breaking down

F **C**
lately, something here don t feel right
A **Dm**
this is just a half-life
Bb
is there really no escape?
F **Gm** **F**
no escape from time
F **C**
of any kind

Dm **C** **Bb**
I keep trying to understand
this thing and that thing, my fellow man
I guess I ll let you know

when i figure it out

but I don t mind a few mysteries
they can stay that way it s fine by me
and you are another mystery i am missing

It takes so much out of me to pretend

maybe, I need to see the daylight
to leave behind this half-life
don t you see I m breaking down

Lately, something here don t feel right
this is just a half-life
is there really no escape?
no escape from time
of any kind

Dm **C** **Bb**
come on lets fall in love
come on lets fall in love
come on lets fall in love
again

cause lately something here don t feel right
this is just a half-life,
without you I am breaking down

wake me, let me see the daylight
save me from this half-life
let s you and I escape
escape from time

come on lets fall in love
come on lets fall in love
come on lets fall in love
again
