Subject: In The Absence of Sun by Duncan Sheik

Here s another excellent song from Duncan Sheik. I m 95% sure of these chords. If anyone can come up w/better one s please let me know.  
If anyone wants to add lyrics, I m sure someone will appreciate it!

Capo on 2nd fret

Verse: G Em7 Am (Lifting the index finger every other beat) F  
E Am (Lift...)  
I thought I understood what I was to you...

Chorus:

C G F Am (lift...) F E Am (you know)

Once again, listen to the song to get the lyrics. I m pretty sure this is close enough to fool your friends...
