and Chic guitarist Nile Rodgers on guitar. And the fun thing about this song is that the riff below is practically the entire song! There are two more strokes of the **B5** chord every other time during the chorus, and there is a part or two where the 5 chords aren't played after the main riff, but that's about it.

Also remember to position the fingers of the first two chords like below, but only play the **D**, **G**, and **B** strings.

D/E: x7777x
G/E: x7978x

	D/E	G/E	A5	A#5	B5
