

Dirty Great Monster  
Duran Duran

(intro) Am Bb E C

          Am                  Bb  
There s a dirty great monster  
E          C

In this house

          Am          Bb          E  C  
We pretend it s not there

                  Am          Bb  E

And there s no escape

          C  
From It s grip

          Am          Bb          E  C  
But nobody seems to care

                  D  
Do you ever wonder

          E  F  
About the days

                  G  Am  
When we were straight

                          D  
But daddy got the hunger

          E  F  
So much to hide

                  G  Am  
We learn to lie

(intro)

          Am                  Bb  
So watch yourself

E          C  
In the hall

                  Am  
Where you re not

          Bb          E  C  
supposed to know

                  Am  Bb  E  
Cuz we re all afraid

          C  
of each other

                  Am  
We re the victim s

Bb          E  C  
in this show

D

Well Do you ever wonder

E F

About the days

G Am

When we were straight

D

when daddy got the hunger

E F

too much to hide

G Am

We learn to lie

D

Silently out numbered

E F

We made mistakes

G Am

When we were straight

D

Now we re all going under

Oh oh

E F

G Am

So with a sigh we say good bye
