 Intro

 C#m
 So come the evening
      E
 I m out on the dunes
 G#m   E
 Looking for a token, something to prove
          C#m   E
 All I remember, is more than a flame
 G#m   C#m
 In my fantasy fire

      F#m   G#m
 Whatever I ve done to receive

      C#m   G#m
 Whatever I need to redeem
      F#m
 Whatever you say
 G#m   C#m   G#m
 Even if I wait a lifetime

   C#m   E
 I know, I swear
 G#m
 If you leave a light on,
 B   Bsus2 C#m
 if you leave a light on for me
           E
 I ll come there
 G#m   C#m

You can leave a light on for me

  | E |E Dm|*2

                C#m
In comes the morning
      E
I m stirred in my track
G#m   E
Looking at the reasons for me to head back
        C#m
So unexpected
      E
The kindness you showed
G#m   C#m
That I will not forget it

Whatever I ve done to receive
Whatever I need to redeem
Whatever you say
Even if I wait a lifetime

CHORUS

I know, I swear
If you leave a light on, if you leave a light on for me
I ll come there
You can leave a light on for me

| E |E C#m |*2

      F#m   E   C#m
You breathe the will into the weak
    G#m   F#m
And coax the cage back to fly free
                        E   C#m
You ease the lost cause out of me
    G#m   F#m
With your sweet hand to bring me home
G#m
I m not alone
G#m   E   C#m
Oh, Oh-Oh-Oh-Oh-Oh
Oh, Oh-Oh-Oh-Oh-Oh
Oh, Oh-Oh-Oh-Oh-Oh
Oh, Oh-Oh-Oh-Oh-Oh

CHORUS
I know, I swear
If you leave a light on, if you leave a light on for me

I ll come there
You can leave a light on for me

REPEAT CHORUS

by Bruno Alexei Savron

I ll come there
You can leave a light on for me
