

Midnight Sun
Duran Duran

(intro) **F C Dm**

F C Dm Am
As I watch you flickering slowly
F C Dm Am
In the shadows nothing to hold
F C Dm Am
It s as if I don t recall our time before
F C Dm Am
And would it be so wrong
F C Dm Am
Not to remember?
F C Dm Am
There are times I look at you differently
F C Dm Am
Like I d never seen you before
F C
Funny after all we ve done
Dm Am F C D Am
You could be someone I don t know at all
F C D
Don t know you at all

Bb F

C Gm
Catch me I don t want to fall
F C Dm Am
But you pull the mountain from under me
F C Dm Am
Look I m dangling up in the blue
F C Dm Am
And it s a cartoon coyote eternity
F C Dm Am
Before I drop down to you
F C Dm Am
What am I supposed to do now?

F C Dm Am (4x)

F C Dm Am
There is something beautiful shining
F C Dm Am
In the far off night of your hair
F C Dm Am
Funny for a while it seemed to come from the sky

F C D

But it s in your head

F C D

Yes it fills your head

Bb F

You and I don t always fly

C Gm

Let me go I want to fall

Bb

Deep into the dark

Dm C Bb

But I ll get back to you

F C D

And I ll always know how to find you

F C D

Cause you shine like the midnight sun
