you re nocturnal only come out at nite
I m learning all the ways you wanna ride
you re on the roam but not until the darkness arrives
but I m certain I ll catch up to you one of these times

Can I put my hands on you tonight
I must be feeling something
Something tells me I m in for the ride
I wonder if you see me coming
Can I put my hands on you tonight
Tonight has got me running
Something tells me I m in for the ride
right into your nite-time world
coz of a

nite-runner I think I m falling for you
nite-runner got a spell to put me under
nite runner what you gonna do with it?
nite-runner nite nite runner

Light scatters when you walk into the room
Under shadow I can feel the heat in you
Should I be surprised I see the possibility moving right across to me
It all matters when I m getting close to you

Can I put my hands on you tonight
I must be feeling something
Something tells me I m in for the ride
I wonder if you see me coming
Can I put my hands on you tonight
Tonight has got me running
