

One Of Those Days
Duran Duran

Tabbed by: trevgregEmail: *Tuning: StandardThis is the tenth track from the band s Astronaut album. Lots of keyboards in this song, andthere s a pretty simple guitar riff or two you can get out of it.This riff is played during the verses. Don t forget that a D5 is played instead of a B5 the last line of the two verses also.

I couldn t hear the guitar as well towards the end of the song, but I figured out a structure to strum to that should be pretty close to what s being played. You ll see it in the lyrics underneath here.
