          Dm7                F                C          Dm
Only came outside to watch the night fall with the rain
          Dm7                F      C          Dm
I heard you making patterns rhyme,      Like
          Dm7                F                C          Dm
some new romantic looking      for the TV sound
          Dm7                F      C
You ll see I m right some other time,      we known

Dm          Dm7                F      C
Look now, look all around,      there s no sign of life
Dm          Dm7                F      C                Em      G
Voices, another sound,      can you hear me now ohooo ooooo?
  F#m      A      Em      G      F#m      A      Em
This is planet earth, you re looking at planet earth
          G                F#m      A      Em
Bop bop bop bop bop bop bop this is planet earth.

          Dm7                F                C          Dm
My head is stuck on something precious, let me know
          Dm7                F      C          Dm
if you re coming down to land,      Is there
          Dm7                F                C          Dm
anybody out there trying to get through?

```

Dm7 F C Dm
My eyes are so cloudy I can t see you.
