

Reach Up For The Sunrise
Duran Duran

Dm **C** **G** **F**
Now the time is come, the music between us
Though the night seems young - is at an end
Only change will bring you out of the darkness
In this moment everything is born again

G **D**
Reach up for the sunrise
F **Dm**
Put your hands into the big sky
You can touch the sunrise
Feel the new day enter your life

Now the fireball burns, we go round together
As the planet turns into the light
Something more than dreams to watch out for each other?
Coz we know what it means to be alive

Reach up for the sunrise
Put your hands into the big sky
You can touch the sunrise
Feel the new day enter your life
