

Skin Divers
Duran Duran

D walking under skies, waiting for the fall
C **A#** **F**
meet me at the cornershop I show you it all
D **D**
free you of your mind, something you won t find
C **A#** **F**
in the West End pages with yer Google-dirty fingers

D **D** **C** **A#** **F**
it s a skin dive deep, silence, we are ... going underwater
D **D** **C** **A#** **F**
it s a lifeline teardrop, bullets, all night ... dip into the water

D
Baby, that s what it feels like when you come up for air
D
When you come up for air
C
You feel brand new, when you come up for air
A# **F**
When you come up for air

D
That s what it feels like when you come up for air
D
When you come up for air
C
You feel brand new, when you come up for air
A# **F**
When you come up for air

D **D**
wipe us off the face of the human race
C **A#** **F**
whichever way you look it s indisposed or disgraced
D **D**
fighting on the shore, the hoi polloi want more
C **A#** **F**
howling bloody murder but it s nothing, just a murmur

D **D** **C** **A#** **F**
in your skin dive in deep, silence, we are ... going underwater
D **D** **C** **A#** **F**
it s a lifeline teardrop, bullets, all night ... slip into the water

D

Baby, that s what it feels like when you come up for air

D

When you come up for air

C

You feel brand new, when you come up for air

A# F

When you come up for air

D

That s what it feels like when you come up for air

D

When you come up for air

C

You feel brand new, when you come up for air

A# F

When you come up for air

D

D

a blushing rose is torn from these sugar walls

C

A#

F

I misplaced my future, could I please borrow yours?

D

D

paint it opalscene, you know what I mean

C

A#

F

anything you want to be, the only thing you want from me ...

D

D

C

A#

F

skin dive in deep, silence, we are ... going underwater

D

D

C

A#

F

it s a lifeline teardrop, bullets, all night ... going South Dakota

D D C A# F (2x)

D

D

Baby girl, you swimmin a little too deep

C

A#

F

So deep that I think you might hit a reef

D

D

I think you re low on oxygen and your tube got a leak

C

Baby girl, swim to the top

A#

F

Grab my hand and hold me and breath

D

Baby, that s what it feels like when you come up for air

D

When you come up for air

C

You feel brand new, when you come up for air

A# F

When you come up for air

D

That s what it feels like when you come up for air

D

When you come up for air

C

You feel brand new, when you come up for air

A#

F

When you come up for air

D D C A# F (3x)
