Duran Duran - Someone Else Not Me

Introdução: **Csus4 C G Dm F G**

**C Csus4 C G**  
Now while the beat is slow

**Dm F (G)**  
Here in your arms I sway

**C Csus4 C G**  
Now that the light is low

**Dm F G (C Csus4 C G)**  
Something I want to say

**Dm F G C (C Csus4 C)**  
I guess you've known it for a while

**G (Dm)**  
But I mean trouble

**Dm F G C Csus4 C**  
I only want to see you smile

**G (Dm)**  
And I burst this bubble

**Dm F G F**  
The hardest thing is to let go

**Fm C Cm (F)**  
When love is real...

**Fm C Cm F**  
Like a flower loves a bee

**Fm C Cm F6 Cm2/F**  
But I know you're meant to give yourself to someone else

**C Csus4 C G Dm**  
Not me

**Dm F G (C Csus4 C)**

And I could carry on with you

**G (Dm)**

Does that sound crazy?

**Dm F G C Csus4 C**

I think you feel the same way too

**G (Dm)**

And you can't face it

**Dm F G F**

The hardest thing is to let go

**Fm C Cm (F)**

But it's not defeat

**Fm C Cm (F)**

When you set somebody free

**Fm C Cm F6 Cm2/F**

And I know you're meant to be yourself with someone else

**C Csus4 C G Dm F A (Solo)**

Not me

**C Csus4 C G Dm F A (Solo)**

**G F**

Can you let go?

**Fm C Cm (F)**

Cause that's love that's real

**Fm C Cm F**

Like a flower loves a bee

**Fm C Cm F6 Cm2/F**

And you know you're meant to give yourself to someone else
