Duran Duran

[Intro] G B

( Em D G B )

Em D G B7  
Out on the tar plains ...the glides are moving

Em D G B  
All looking for a new place to drive

Em D G B7  
You sit be - side me, ...so newly charming

Em D G B  
Sweating dewdrops glisten, fresh in your side

G B7  
And the sun drips down, bedding heavy behind

Em B7  
The front of your dress, all shadowy lined

G B Em B  
Then the droning engine throbs in time with your beating heart

( G B Em B7 G B Em B7 )

Em D G B7  
Way down the lane a way, living for a - nother day

Em D G B  
The aphids swarm up in the ...drifting haze

Em D G B7  
Swim seagull in the sky to - wards that hollow western isle

Em D G B  
My envied Lady holds you fast in her gaze!

C C7/Bb B B7  
Sing----- blue silver

( Em D G B )

Em D G B7  
And watching lovers part, ...I feel you smiling

Em D G B  
What glass splinters lie so deep in your mind?

Em D  
To tear out from your eyes

G B7  
With a thought to stiffen brooding lies

Em D G B  
And I ll only watch you leave me further be - hind
