

The Seventh Stranger
Duran Duran

C **Em** **C** **E**
Those words are all remainders, echoes growing in the heart of twilight
Gm7 **Dm** **Gm7** **Dm**
They lay back laughing at naivety star
C **Em**
Awaken all those whispers

C **E**
The dusty shadow of a passing favour
Gm7 **Dm** **Gm7** **Dm**
I wouldn't say that you were ruthless or right
Gm7 **Dm** **C**
I couldn't see from so far

F **C**
Was I chasing after rainbows?
E
One thing for sure you never answered when I

Am
called

F **D**
And I wiped away the water from my face
E **Am**
to look through the eyes of a stranger

F **Fm** **G**
For rumours in the wake of such a lonely crowd
D **Am**
trading in my shelter for danger

F **Fm** **G**
I'm changing my name just as the sun goes down
Dsus **D** **Am**
in the eyes of a stranger

C **Em**
Can't tell the real from reflection
C **E**
When all these faces look the same to me
Gm7 **Dm** **Gm7** **Dm**
In every city such a desolate dream
C **Em**
Some days are strange to numbers
C **E**
Some say the seventh sounds a little bit stranger

I could have sworn in one evening

No steel reproaches on the table from be-

fore

I look through the eyes of a stranger

```
(repeat chorus)
```

```
...walking away like a stranger
```
