

**The Valley**  
**Duran Duran**

**Ebm**

These are days of Hit and Run

In the stream with everyone

**G#**

These are moments of our lives

**Ebm**

On a wondering river

Going on together

**G#**

Many journeys to arrive

**Ebm**

I ve been walking

Through the valley

Through the tall grass

And the shadows

**F#**

And I feel it, I can see it

Yes I need it, I Believe it!

**Ebm**

Through the city

And the towers

Turning minutes into hours

**F#**

And I feel it, I can see it

Yes I need it, I Believe it!

Ebm

When I think I m being strong

And I lose direction

G#

Then the light starts looking mischievious

Ebm

Finding revelation

Outta desperation

Always stretching time

But it s never long enough

Fm

Think your happy

Ebm

Think your free

Fm

Maybe we re just

F#

Comfortably decieved
