

The Valley
Duran Duran

C#m

These are days of Hit and Run

In the stream with everyone

F#

These are moments of our lives

C#m

On a wondering river

Going on together

F#

Many journeys to arrive

C#m

I ve been walking

Through the valley

Through the tall grass

And the shadows

E

And I feel it, I can see it

Yes I need it, I Believe it!

C#m

Through the city

And the towers

Turning minutes into hours

E

And I feel it, I can see it

Yes I need it, I Believe it!

C#m

When I think I m being strong

And I lose direction

F#

Then the light starts looking mischievious

C#m

Finding revelation

Outta desperation

Always stretching time

But it s never long enough

Ebm

Think your happy

C#m

Think your free

Ebm

Maybe we re just

E

Comfortably decieved
