

The Valley
Duran Duran

Em

These are days of Hit and Run

In the stream with everyone

A

These are moments of our lives

Em

On a wondering river

Going on together

A

Many journeys to arrive

Em

I ve been walking

Through the valley

Through the tall grass

And the shadows

G

And I feel it, I can see it

Yes I need it, I Believe it!

Em

Through the city

And the towers

Turning minutes into hours

G

And I feel it, I can see it

Yes I need it, I Believe it!

Em

When I think I m being strong

And I lose direction

A

Then the light starts looking mischievious

Em

Finding revelation

Outta desperation

Always stretching time

But it s never long enough

F#m

Think your happy

Em

Think your free

F#m

Maybe we re just

G

Comfortably decieved
