Too Late Marlene
Duran Duran

Introdução: **Am**

```
                       Am7
```
Walking out of nowhere and I let you in till my imagination, went for a spin
I seen you every night been making out since then
And still I wonder why everybody s saying, that ice is thin.
```
          Dm
```
And I think I know you just a little bit by now, and I think I can show you
```
                                                    Am
```
You see baby, I don t want to fight about it
```
Am                    D   Am                D
```
Send down your rain,then who s to blame?
```
Am                  D                      G                    Am
```
And you ll understand because its much too late to change.
```
                      Am7
```
Awaken to this hunger and then watch my heat, grow paler than the moonlight
That you made me eat and if we run our lives, along a one way street
We ll always wonder why everytime, it still tastes just as sweet
```
            Dm
```
And I think I know you just a little bit by now and I think I can show you
```
                                                  Am
```
You see baby, I don t want to fight about it
```
Am                      D   Am              D
```
Send down your rain,then who s to blame?
```
                            G                  Am
```
Because it's much too late too change
```
          D                 Am                D
```
I will explain, too late, we re to much the same, too late
```
Am             D                G                    Am
```
Now, I won t leave because it s just too late Marlene
Solo
```
              Dm                                Am
```
You see baby, I don t want to fight about it.
```
          D                 Am                D
```
I will explain, too late, we re to much the same, too late
```
Am             D                G                    Am
```
Now, I won t leave because it s just too late Marlene
```
Am       D       G               Am
```
Too late, too late, too late Marlene,
```
Am       D       G               Am
```
Too late, too late, too late Marlene
