Too Late Marlene
Duran Duran

Introdução: **G#m**

```
                        G#m7
```
Walking out of nowhere and I let you in till my imagination, went for a spin
I seen you every night been making out since then
And still I wonder why everybody s saying, that ice is thin.
```
          C#m
```
And I think I know you just a little bit by now, and I think I can show you
```
                                                        G#m
```
You see baby, I don t want to fight about it
```
G#m                        C#    G#m                    C#
```
Send down your rain,then who s to blame?
```
G#m                        C#                              F#
G#m
```
And you ll understand because its much too late to change.
```
                        G#m7
```
Awaken to this hunger and then watch my heat, grow paler than the moonlight
That you made me eat and if we run our lives, along a one way street
We ll always wonder why everytime, it still tastes just as sweet
```
          C#m
```
And I think I know you just a little bit by now and I think I can show you
```
                                                        G#m
```
You see baby, I don t want to fight about it
```
G#m                        C#    G#m                    C#
```
Send down your rain,then who s to blame?
```
                              F#                    G#m
```
Because it's much too late too change
```
                  C#                    G#m                        C#
```
I will explain, too late, we re to much the same, too late
```
G#m                  C#                            F#                        G#m
```
Now, I won t leave because it s just too late Marlene
Solo
```
            C#m                                        G#m
```
You see baby, I don t want to fight about it.
```
                  C#                    G#m                    C#
```
I will explain, too late, we re to much the same, too late
```
G#m                  C#                        F#                        G#m
```
Now, I won t leave because it s just too late Marlene
```
G#m      C#        F#              G#m
```
Too late, too late, too late Marlene,
```
G#m      C#        F#              G#m
```
Too late, too late, too late Marlene
