

Wild Boys
Duran Duran

E **B7**
The Wild Boys are calling on their way back from the fire

E **B7**
In August moon surrender to a dust cloud on the rise

C **A**
Wild Boys fallen far from glory

E **B7**
Restless & so hungered on the razor s edge you trail

E **B7**
Because there s murder by the roadside in a sore, afraid new world

C **D** **C** **A**
They tried to tame us looks like they ll try again

E **D** **B7**
Wild Boys never loose it

E **D** **B7**
Wild Boys never chose this way

E **D** **B7**
Wild Boys never close your eyes

A **C D**
Wild Boys always shine

E **B7**
You ve got sirens for a welcome. There s blood stains for your pain

E **B7**
And your telephones been ringing while you re dancing in the rain

C **A**
Wild Boys wonder where is glory

E **B7**
Where is all you angels now the figure heads have fell

E **B7**
And lovers war with arrows over secrets they could tell

C **D** **C** **A**
They tried to break us, looks like they ll try again
