

**Go Tell It On A Mountain**  
**Dustin Kensrue**

Amazing version of the song and still just as easy as the original hymn.  
The transitions of where the chords are may not be perfect, but you get the idea.

Enjoy!

Go tell it on the mountain, over the hills and everywhere;

The shepherds feared and trembled when lo! Above the earth,

-----  
pretty self explanatory from there on, here's the rest of the lyrics though  
-----

When I was a seeker, I sought both night and day  
I asked the lord to help me, and he showed me the way  
He made me a watchman, upon the city walls

And if I am a Christian, I am the least of all

Repeat Chorusx2 and give the guitar some good knocks for effect
