

Its Not Enough
Dustin Kensrue

Intro **A**

F#m **A**
Though all the wealth of men was mine to squander
F#m
And towers of ivory rose beneath my feet
F#m **A**
Were palaces of pleasure mine to wander
E
The sum of it would leave me incomplete

F#m **A**
Though every soul would hold my name in honor
F#m
And truest love was always by my side
F#m **A**
My praises sung by grateful sons and daughters
E
My soul would never still be satisfied

F#m **E**
It s not enough, it s not enough
F#m
I could walk the world forever
A
Till my shoes were filled with blood
F#m **E**
It s not enough, it s not enough

F#m **A**
Though I could live for all to lift them higher
F#m
Or spend the centuries seeking light within
F#m **A**
Though I indulged my every dark desire

Exhausting every avenue of sin

It s not enough, it s not enough

I could walk the world forever
