I knew when she flew in she wouldn't stay

Every now and then God makes one that-a-way

The red-haired, wild-child, with storms in her eyes. I knew I'd never be the same

That's the thing about a hurricane, she's all lightning and wind and rain

Am F C G

Get's you close and you're swept away. better hold on till it breaks

Dm Dm/E F

Causes it's a hell of a ride, if you can just survive the pain

Am Am/B C C/D F

That's the thing about a hurricane

She said she was a runnin' from her past

Every breath she stole felt like my last

And her kiss told me better get outta there, but I was too far to care

That's the thing about a hurricane, she's all lightning and wind and rain

Am F C G

Get's you close and you're swept away. better hold on till it breaks

Causes it's a hell of a ride, if you can just survive the pain

Am Am/B C C/D F

That's the thing about a hurricane

[Bridge]

Am Am/B Dm

Now even in blue skies, there ain't no forgettin
