

**Hurricane**  
**Dustin Lynch**

Capo 5

[Intro]

**Em Bm/B D D/D G**

[Verse 1]

**Em Bm/B D D/D G**

I knew when she flew in she wouldn't stay

**Bm Bm/B D D/D G**

Every now and then God makes one that-a-way

**Bm Bm/B D D/D G Em**

The red-haired, wild-child, with storms in her eyes. I knew I'd never be the same

[Chorus]

**Bm G D A**

That's the thing about a hurricane, she's all lightning and wind and rain

**Bm G D A**

Get's you close and you're swept away. better hold on till it breaks

**Em Em/F# G**

Causes it's a hell of a ride, if you can just survive the pain

**Bm Bm/B D D/D G**

That's the thing about a hurricane

[Verse 2]

She said she was a runnin' from her past

Every breath she stole felt like my last

And her kiss told me better get outta there, but I was too far to care

[Chorus]

**Bm G D A**

That's the thing about a hurricane, she's all lightning and wind and rain

**Bm G D A**

Get's you close and you're swept away. better hold on till it breaks

**Em Em/F# G**

Causes it's a hell of a ride, if you can just survive the pain

**Bm Bm/B D D/D G**

That's the thing about a hurricane

[Bridge]

**Bm Bm/B Em**

Now even in blue skies, there ain't no forgettin'

**Bm Bm/B Em**

Is it any wonder they name 'em after women
