And each and every potential star

Drives home in the night in her economy car
F G F
Whoever thought home would be a one-room flat?
C
Well, as simple as that. Hollywood movie girls

Each morning up early to call on the phone
Agents, producers, oh, they re never at home
Like door-to-door salesmen, we are selling ourselves, Ooh, nothing else
Hollywood movie girls

Chorus

(up 1 measure to D)
And just about bedtime each one of us asks
Tell me, when will I make it to the big-time at last?
Oh, small parts you re offered ah, but those too shall pass
Nothing lasts, Hollywood movie girls

Chorus

Bm G A
Star light, star bright, won t you wish on me tonight?
Bm A G A
Wish I may, wish I might, shine your light for me
D
