There s something in my soul that will always lead me back to you

What can I say now?

Sorry is just not good enough

I couldn t blame you if you hurt me now

The way I hurt you then

But who else can I turn to?

Oh, baby, I m begging you

Won t you reach out for my dying soul and make me live again

Oh, baby, it s so hard

Chorus

I just can't make it by myself

I just can't make it by myself

Baby, help me

Oh, help me (Please help me)
You know I need you (I need you)
I m saying that I need you
I just can t make it by myself
(I just can t make it by myself)
I just can t make it all alone
(I just can t make it all alone)...
