Dm7

That s what I thought was being so smart

The way I cheated him and mistreated him

How could I forget?

I was so sure that he would always trust in me

Oh, that I d take a bet, no, no, no

He d never say goodbye but here all alone am I

He is gone now, ahh, cause

Chorus +:

It was easier to hurt him, I need him so bad

It was easier to hurt him, What did I do?

It was easier to hurt him, I should have known better

It was easier to hurt him, I need him so bad
